

Arash Razmjoo, Ph.D. Mechanical and Civil Engineering, M.Sc. and B.Sc. Mechanical Engineering

Curriculum Vitae

Expert Qualifications Summary

- Civil Engineering, Ph.D.
- Mechanical Engineering, Ph.D.
- Specialized training in computational biomechanics
- Specialized training in medical devices design and development
- Specialized training in mechanical design and development
- Medical image processing
- Finite element analysis (FEA)
- Computational fluid dynamics (CFD)
- Fracture and failure analysis
- Stress analysis

Education

Ph.D. Civil Engineering

Clemson University

Ph.D. Mechanical Engineering

Tarbiat Modares University

M.Sc. Mechanical Engineering

Tarbiat Modares University

B.Sc. Mechanical Engineering

Tehran Azad University

Employment

2021 – Present

LISKE Accident & Injury Experts

LISKE Team Expert
