

Dr. Lin Wei, Ph.D.

Curriculum Vitae

Expert Qualifications Summary:

- Specialized training in Biomechanical Principles
- Specialized training in Biomechanics of Injury
- Specialized training in Injuries, Anatomy and Musculoskeletal Biomechanics
- Specialized training in Human Motion Analysis
- Specialized training in Injury Risk Evaluation
- Specialized training in Big Data Analysis
- Specialized training in Motion Pattern Classification of Human Movements
- Specialized training in Data Analysis & Tracking
- Experienced in Finite Element Analysis of Mechanical Loading on the Human Body
- Research & Development Engineering
- Project Management Methodology
- Specialized training in software such as Python and MATLAB
- Statistical Analysis
- Machine Learning Algorithms
- Anthropometry
- Human Subject Trials

Education and Certifications:

Doctor of Philosophy, Rehabilitation Sciences

The University of Pittsburgh, Pittsburgh, PA

Master of Science, Mechanical Engineering

The University of Pittsburgh, Pittsburgh, PA

Master of Science, Biotechnology

The National Dong Hwa University, Taiwan

Bachelor of Science, Lift Sciences

The National Dong Hwa University, Taiwan

Certifications Include: Machine Learning and Lean Six Sigma Black Belt
