

## CURRICULUM VITÆ

### JAYSON URIBE

**“Jayson Uribe’s encompassing background and experience as a firefighter, emergency medical technician, professional motorcycle racer and a certified electrical journeyman provides a unique insight into accident investigation and reconstruction, vehicular analysis, motorcycle-related incidents, and autonomous vehicle safety and maneuvering.”**

## 1. BIOGRAPHY

Jayson Uribe specializes in vehicular analysis, accident investigation and reconstruction, motorcycle-related incidents, and expert witness representation in regard to vehicle accidents. Mr. Uribe is also an autonomous vehicle specialist with experience and knowledge in autonomous vehicle research and development in regard to roadway safety and emergency maneuvering.

Jayson Uribe has over 20 years of experience in the motorsports industry including over 10 years of experience as a professional racer. He has dedicated over ten years to coaching both two-wheeled and four-wheeled enthusiasts. He currently works as a lead instructor with 5 of the top-rated driving/riding schools in the USA.

Jayson Uribe earned a five-year electrical design and construction degree, as well as completing an 8,000-hour apprenticeship, with the Western Electrical Contractors Association (WECA) from 2017 to 2022.

Outside his professional career, Jayson Uribe's commitment to public service shines through. He completed the Cal Fire/NCFD Fire Science/Firefighter 1 Academy in 2019 and participated in various CSFT and CalFire scene documentation and leadership courses. His volunteer role as a firefighter and EMT, where he holds the rank of Engineer/DO, demonstrates his unwavering dedication to protecting and serving his community.
